

International Summer Music School Pučišća

MUSIC TECHNOLOGY WORKSHOP

From Recording to Coding: Making Music with Computers

21 - 31 August 2017, Island of Brač, Croatia

YOU WILL NEED:

laptop (PC/Mac) + headphones + USB key (to copy files)

YOU WILL LEARN:

how to record sound, how to edit sound, how to write computer code to manipulate audio samples & how to perform live with your laptop

YOU WILL ALSO LEARN:

lots of English audio related terminology, how to use a projector, mixing desk and speakers to do your own gigs :-)

YOUR TUTOR:

Nela Brown, an award-winning Croatian musician, composer & sound designer living in London

The workshop will be delivered in English & Croatian

BOOK YOUR PLACE HERE:
